

Time	Color	Occasion/Contextual??	Mindset / Psychological	Inspirations / Opinion	Purchase/Borrow/Ownership	Starters/Conclusion
Do you take a lot of time to think about what you are going to wear on a regular basis?	Do you think color combinations for an outfit matter a lot especially considering all the shades and tints of the colors?	If not regularly, in which situations or for what kind of occasions do you put a lot of thought into your outfit?	Is your wardrobe full but you still think you don't have anything to wear for a particular occasion?	Have you wanted to buy something you saw someone else wear but couldn't find it anywhere?	Would you like borrowing clothes for a few occasions if you think it is expensive and you are not going to wear it that often?	Tell me the recent incident where you made a bad/good choice of choosing a colour style
How often do you change your outfits in a day?	What color clothes do you have and which is your favourite color?	How you select your attire for various occasions? And when you have extra emphasis (It can a particular day in a week, or an occasion)	Do you care a lot about your overall dressing sense and clothing combinations?	Do you usually look for your friends' suggestions or opinions when deciding an outfit?	Do you borrow clothes from your friends? If so, when and why?	What suggestions would you like to give if you have to make a colour suggestion app?
How often do you do laundry?	On what aspect you choose outfit's color on a given day?	When are you confused what to wear?	How many outfits do you try before you decide on one for a particular occasion?	How do you get inspiration for your clothing style?	Where do you get your inspiration from?	What do you think will improve the overall experience of selecting clothes?
	As you are not able to differentiate red and green colors, so how do you choose colors having that pattern?	How many pairs of shoes do you own? Do you wear shoes that are matching to your outfit?	What compliment you have received about your dressing sense?	Have you ever asked a stranger where they bought a particular dress?	What are some of the most important factors that influence you to buy a particular pair of clothes?	What do you think is the main problem while selecting an outfit?
	What colors do you think will suit you the best?	Do you accessorize? How do you decide your accessories for an outfit?	Do you follow dress code for certain occasions and what's your opinion for that?	Do you give more importance to brands? What are your favorite brands?		What suggestions you would give?
	Could you tell me 3 color combinations?		Have you ever felt embarrassed wearing a particular dress?	How do you follow clothing trend for your style?
